Washington, DC 20204

Dear Sirs:

Notice is hereby given pursuant to the requirement of section 403(r)(6)(21U.S.C. 343(r)(6)) of the Federal Food, Drug and cosmetic Act and in accordance with the requirements of 21 CFR 101.93 that LaneLabs USA, Inc., 25 Commerce Drive, Allendale, NJ 07401 is marketing a dietary supplement bearing the following statement(s) on the label and/or in the labeling:

TEXT OF CLAIM:

"Joint Mobility Supplement"

"Soothes Joints and Promotes Mobility"

"Helps ensure that the joints connecting those bones are comfortable, cushioned and lubricated."

"AdvaJOINT is a dietary supplement containing GlycoMarine™ - a proprietary extract of Green Lipped Mussel potentiated with HAI™."

"GlycoMarine is a rich natural source of glycosaminoglycans (polysaccharides with a glucosamine base) and the omega-3 fatty acids EPA (eicosapentanoic acid) and DHA (docosahexanoic acid)."

"AdvaJOINT works by supporting the normal regulation of prostaglandins which play an important role for healthy, comfortable joint movement. It also contains mucopolysaccharides which help support joint cushioning."

"The glycosaminoglycans and omega-3 fatty acids in AdvaJOINT help support the synovial fluid needed for healthy joint lubrication and comfortable joint movement."

NAME OF INGREDIENTS:

Green Lipped Mussel Extract (*Perma Canaliulus*)

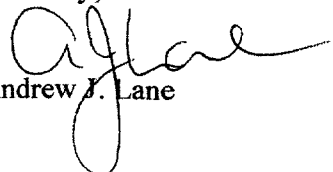

HAI Amino Acid Extract (from Sea Algae)

NAME OF SUPPLEMENT:

AdvaJOINT™

I certify that the information contained in this notice is complete and accurate and that LaneLabs USA, Inc. has substantiation that the statements are truthful and not misleading.

Sincerely,

Andrew J. Lane
